## STUDIO POLICIES

**Student/Parent Information:** Registration forms must be completed, signed and dated by the dancer's parent or guardian along with a photo. Please keep us informed of your current email and phone numbers and please remember to notify the studio of any changes.

**Attendance:** Students must attend class on a regular basis. At the end of the dance year, each student is invited to participate in our annual recital. Participation is encouraged but not required. All Recital classes upon registering will be marked with an R so you are aware what classes will be doing recital. Recital is not mandatory for recreational students but encouraged. If unable to do the recital the student will still learn the dance and participate in class. Team members are required to participate in recital to some extent.

(If a dancer misses more than one class in the last month before the recital, the teacher may pull them from the routine unless special permission has been given.)

**Class Minimum:** Classes that drop below the minimum of six students required may be subject to cancellation. If a class is cancelled we will do our best to find a replacement class for you.

There is no food or drink allowed in the dance rooms and cell phones are not allowed in class.

Please have your dancers store their belongings on shelves, cubbies or in team lockers to clear the hallways for safety reasons.

No going into the studios when staff is not present. Please do not touch any Aerial Arts equipment unsupervised.

**Class Placement:** The staff of NLDC will place each student in the proper classes. If a student is not in the correct class, a director will move them according to their level.

**Registration:** We have ongoing registration however, if a student joins after January, they might not be able to participate in the June recital as the costume may not arrive in time.

**Costume Fees:** There is a recital costume fee that will be charged for each class (excluding adult classes and a few select classes). A costume deposit of \$50.00 per costume is due on **December 10th** and the balance is due on **January 31<sup>st</sup>**. Once the costume has arrived, we will let you know the remaining balance left on the costume. Students will not get their recital costume(s) until the balance is paid in full.

**Recital Fees:** There will be a \$50.00 recital fee for students with only one recital dance. A \$75.00 recital fee for students with more than one dance and for families with more than one child a \$100.00 family recital fee which is due in February.
